9" TOUCH SCREEN SUPER WIDE MIRROR MONITOR WITH REVERSE & LIVE STREAM CAMERA Part No: GRV90MKT

Engineered to reduce blind-spots and increase safety & security in your vehicle.

Features:

- 9" high resolution super wide LCD touch screen mirror monitor
- Rubber clip-on mirror mount for simple and secure installation, suitable for all vehicles with a rear-view mirror
- 120-degree wide angle camera lens reduces blind spots at the rear of the vehicle
- Automatic reverse trigger displays reverse image and parking gridlines when reverse gear is engaged to assist with reverse parking
- Live streaming function enables the monitor to display rear vision while driving, ideal for vehicles with limited rear vision
- Full 1080p high definition video recording at 30 fps for clear crisp recordings *
- Built in G-Sensor detects an impact and securely saves the video footage on the micro
 SD Card separate from the continuous loop files *
- Seamless cycle loop recording function continuously records in an indefinite loop without stopping, constantly overwriting the oldest file with the newest video *
- Supports Micro SD card class 10 up to 64GB *
