

Jayrad Water Pumps

CoolDrive is proud to announce the arrival of our Jayrad water pump range now available from CoolDrive Distribution.

Jayrad water pumps come with quality bearings and castings.

All part numbers start with JWP and at this stage we have stocked 30 fast moving numbers.

All Jayrad parts are warranted against defects in workmanship or material for a period of **2 years** or **40,000kms** from the date of sale, whichever occurs first, unless otherwise stated.

What are you waiting for? The future is here and your new Jayrad water pump is just a phone call or a click away.
