

CANGUN1

CANGUN1 is a new, patented pistol grip spray can tool that easily snaps on to standard aerosol spray cans, transforming them into professional-style spray guns with unprecedented control, for hours of effortless, pain-free spraying.

CANGUN1 is made in the USA with recycled, non-toxic plastic and zero waste, space optimized, recyclable packaging.

- **World's first FullGrip spray can tool trigger offers hours of fatigue-free spraying by providing 22x the surface area compared to a standard spray can valve's surface.**
- **Double leverage action with exclusive internal design substantially reduces, on average, 10x less, the amount of force required to actuate the can's valve, thereby providing effortless spraying.**
- **The FutureLock attachment ring makes attaching and removing CANGUN1 twice as easy and fits 100% of all standard spray cans.**
