The WD-40® five basic functions

Lubricates

WD-40's lubricating ingredients keep parts moving smoothly and reduces friction and wear; helping parts work better for longer. WD-40 does not contain silicone and is ozone friendly.

Cleans

WD-40 gets under dirt, sap, grime and grease to clean while forming a corrosion resistant barrier. It also dissolves adhesives, tape and stickers from most surfaces. Just spray and allow it to soak for several minutes before wiping off.

Protects

WD-40 contains ingredients that shield metal surfaces against moisture, rust and other corrosive elements.

Penetrates

WD-40's fast acting ingredients penetrate into rusted, stuck, frozen and seized up parts; allowing them to quickly loosen and keep parts working freely.

Displaces Moisture

WD-40 is non-conductive and works by displacing any moisture in electrical systems, eliminating moisture induced short circuits.

New Product Bulletin

The WD-40® Range

WD-40 Multi-Use product solves your problems in the workshop, around the home, garden or garage. Stop squeaks, lift grime, free jams and protect from moisture: all with just one product.

Never lose the straw again!

WD61003 300g

Traditional Spray Nozzle with thousands of uses. Each can comes with a little red straw, which allows for a precise application.

WD61004 425g

WD62005 300g

WD-40 Low Odour has the same great functionality and performance as the original WD-40 – just without the fragrance.

WD61009 350g

Award winning Smart Straw®. Fold down for a regular wide spray action to cover a large surface area. Flip the straw up for a precision stream.

AS SEEN ON TV

WD62007 425g

WD-40 EZ-REACH lets you reach the unreachable with a 20cm flexible straw that bends and keeps its shape to deliver WD-40® Multi-Use Product into hard-to-reach places.

The WD-40® Bulk

WD45040 4L

WD-40 Liquid 4L and 20L

- Soak parts to clean without disassembly
- Lubricates and protects industrial equipment
- Cleans and removes residue from moulds
- Penetrates stuck rigging hardware

WD45020 20L

WD61000 500ml

WD-40 Spray Applicator

- 500mL capacity
- Refillable spout
- Child lock safety
- Two ways to spray: stream or spray
- Designed for use with WD-40 Liquid

New Product Bulletin

The WD-40® Specialist

A new line of best-in-class specialty maintenance products formulated to give trade professionals the performance they need to get their specific jobs done right.

High Performance Silicone Lubricant

WD21001 300g

- Prevents parts from sticking
- Waterproofs and protects against moisture
- For use on metal, plastic, rubber and wood
- Recommended uses: Guide rails, pipes, hoist, hinges, belts, bearings, linkages, tools, valves, locks and doors.

Fast Acting Citrus Degreaser

WD21003 400g

- Removes, grease, oil, fat, dirt, grime and soap scum
- Power foam works immediately on contact
- Easy to rinse with water
- Recommended uses: Engine, tow balls, power tools, lifts and hoist, tools, waste water plumbing and grease traps, automotive equipment, marine equipment and machinery

The WD-40® Specialist Automotive

The WD-40 Specialist Automotive is a brand new, specialty auto maintenance range. This set of cleaners and lubricants are high quality, designed to maximise your vehicle performance through proper and regular maintenance.

Chain Lube

WD21017 248g

- Outstanding fling properties
- Superior anti-wear protection
- O, X, Z ring compatible

Brake & Parts Cleaner

WD21019 300g

- Removes oil, grease, dirt and brake fluid
- Cleans without disassembling the unit
- Safe to use on brake linings, pads and drums

Throttle Body, Carb & Choke Cleaner

WD21022 394g

- Cleans dirt, varnish, lead & carbon deposits
- Eliminates hard starting, rough idling & stalling
- Reduces emissions and fumes

Lanolin Smart Straw®

WD21024 300g

- High performance lanolin lubricant
- Long Term Corrosion Protection
- Salt, Water, Acid and Humidity Resistant

Belt Dressing

WD21018 338g

- Eliminate squeaking and slipping
- Restore belts pliability and flexibility
- Extends belt life

Penetrant Smart Straw®

WD21021 300g

- Quickly penetrates rusted & corroded parts
- Loosens seized fixings
- For use on metals, alloys, rubber & plastic

Electronic Cleaner

WD21023 290g

- Removes oil, grease, dirt, flux residue & condensation
- Safe to use on electrical equipment, contacts, plastic and rubber.

New Product Bulletin

SOLVOL®

Trusted for over 95 years to clean dirty hands of hard working Australians. A heavy duty hand cleaner containing citrus oils and fine granules to gently remove ingrained dirt, without the harshness associated with coarser grade abrasives.

Solvol® contains no petroleum solvents and is pH controlled to more closely match that of the skin.

- Removes ingrained dirt, grease and oil
- Effective in removing paint, silicone, glue etc from hands
- Available in liquid and soap bars
- Naturally moisturising to leave your hands clean and soft

71146 (50 bar bulk pack)

71026 4.5L

For Dirty, Dirty Hands!!

Over 2000+ uses

A QUICK HISTORY LESSON

WD-40 Multi-Use Product began as rocket science! Originally designed by the Rocket Chemical Company in 1953, it took scientists 40 formulations to perfect this unique water displacement technology. Dubbed Water Displacement 40th attempt, the product was later shortened to the iconic WD-40.
