

XRS™ Connect Outback Pack

Part No: XRS-330COB

Introducing the brand new XRS™ Connect Outback Pack. This pack is the latest addition to the revolutionary range of XRS™ Connect UHF CB radios, designed to be smart, adaptable and rugged.

Enabled by Bluetooth® Smart technology, the XRS™ Connect range are a new generation of connected UHF CB radios with unique features exclusive to GME; including the XRS™ Connect smartphone app, and the recently released, game changing XRS™ Connect Location Services, Voice Playback and Active Mute.

Combined with a market-leading speaker microphone featuring a bright, anti glare OLED display and powerful 2 watt front facing speaker, the XRS™ Connect range of radios offer outstanding performance in the toughest conditions.

The XRS™ Connect Outback Pack pairs the popular XRS 330C Super Compact UHF CB Radio, with the new medium duty AE4707B radome antenna, providing the perfect solution for those users looking for the ultimate communications set up ready to hit the rugged Australian outback.
