Rain X Washer Fluid

Windscreen Washer Fluid Additive - 500ml
Part No. RX11806D

Replaces - RX11314 Windscreen Washer Fluid Additive 296ml

- Compatible with all windscreen washer fluids. The windscreen is being treated with Rain-X every time you apply the washer fluid and is spread evenly by the wipers.
- Raindrops bead up and are blown away by the aerodynamic wind flow from driving, improving all-weather visibility, safety and driving comfort.
- Add 120ml to treat 4 litres of plain water.
- **Concentrated-Economical:**
Treats 15 Litres of any washer fluid.
