**PERFECT KIT FOR TUBE NUTS IN BRAKE
& AIR CONDITIONING APPLICATIONS!**

FOUR BREMTEC RATCHET SPANNERS

8mm x 9mm

10mm x 11mm

12mm x 13mm

14mm x 15mm

In a convenient durable pouch for easy access. These tools allow the mechanic to slip the spanner through the brake or air conditioning line and then tighten or undo the flare nut with a ratcheting motion.

The swivel head makes getting onto the nut and turning it easier. This tool set is a must for every workshop. Makes the job easier and faster.

PRODUCT FEATURES

- Unique patented ratcheting system
- Single-hand operation
- Only uses the flank
- Can be opened and closed to fit around the nut completely
- Does not require intact points on the nut
- The more pressure exerted on the tool, the tighter the grip on the nut
