HARNESS THE POWER OF THE SUN

Designed for durability, efficiency, and convenience, HULK Professional Series solar panels are the perfect solution for all your energy needs.

HULK Professional Series offers a diverse selection of Monocrystalline solar panels designed to meet various energy needs. These panels feature advanced technology and durable construction to withstand harsh weather conditions and deliver reliable performance over time.

From fixed panels to portable kits, the range includes options such as the 100W, 150W & 190W Fixed Solar Panel and 120W Fixed Slimline Solar Panel. The range also offers portable solutions such as the 160W Folded Solar Panels and the 20W Portable Folding Solar Blanket.

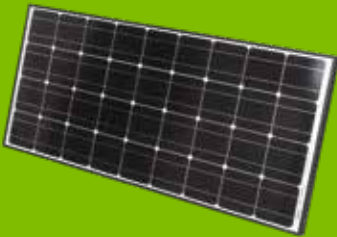

Whether you're off-roading, camping, or just exploring the great outdoors, HULK Professional Series solar panels will keep you powered up wherever you go.

FIXED SOLAR PANELS

The HULK Professional Series Fixed Solar Panel are designed for 12V DC applications and offer various maximum power outputs, ranging from 100W to 190W. They are built with monocrystalline cells, which ensure high efficiency and performance.

The panels come in a wide range of dimensions to suit different applications, but they all share a slim profile of 35mm thickness. With maximum system voltages of 1000V DC and different cell sizes, these fixed solar panels are suitable for a wide range of energy needs.

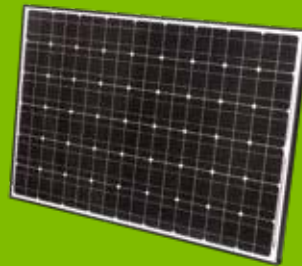

**100 WATT FIXED
MONOCRYSTALLINE
SOLAR PANEL
HU6700**

Maximum Power: 100W
Application: 12V DC
Maximum System Voltage: 1000V DC
Maximum Operating Voltage: 18.7V
Maximum Operating Current: 5.35A
Cell Type and Diameter: Monocrystalline 125mm x 125mm
Dimension: 1195mm x 541mm x 35mm
Weight: 8.1kg

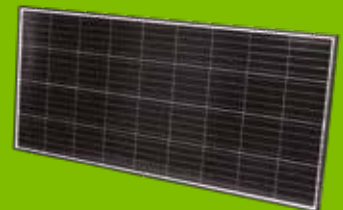

**120 WATT FIXED
MONOCRYSTALLINE
SOLAR PANEL
HU6701**

SLIMLINE
Maximum Power: 120W
Application: 12v DC
Maximum System Voltage: 1000V DC
Maximum Operating Voltage: 18.4V
Maximum Operating Current: 6.53A
Cell Type & Diameter: Monocrystalline 157mm x 125mm
Dimension: 1578mm x 541mm x 35mm
Weight: 11.0kg

**150 WATT FIXED
MONOCRYSTALLINE
SOLAR PANEL
HU6702**

Maximum Power: 150W
Application: 12v DC
Maximum System Voltage: 1000V DC
Maximum Operating Voltage: 18.5V
Maximum Operating Current: 8.11A
Cell Type & Diameter: Monocrystalline 125mm x 62.5mm
Dimension: 1210mm x 808mm x 35mm
Weight: 11.5kg

**190 WATT FIXED
MONOCRYSTALLINE
SOLAR PANEL
HU6704**

Maximum Power: 190W
Application: 12v DC
Maximum System Voltage: 1000V DC
Maximum Operating Voltage: 19.8V
Maximum Operating Current: 9.1A
Cell Type & Diameter: Monocrystalline 158mm x 158mm
Dimension: 1482mm x 680mm x 35mm
Weight: 11.5kg

FOLDING SOLAR PANELS

* HULK Professional Powerstation (HU6504) not included

SPECIFICATIONS HU6703 & HU6705

Encapsulation: ETFE/EVA/Cell/EVA/Fiberglass
Maximum Power(Pmax): 160W
Maximum Power Voltage(Vmp): 18V
Maximum Power Current(Imp): 3.33A
Open Circuit Voltage(Voc): 21.24V
Short Circuit Current(Isc): 3.67A
Cell Efficiency: 22.00%
Unfolded Dimension: 1355mm x 780mm x 35mm
Folded Dimension: 675mm x 780mm x 75mm
Weight: 2.4Kg
Tolerance: ±3%
Max System Open Circuit Voltage: 1000V
Controller: PWM / MPPT
Operate Temperature Range: -40°C~+85°C
Relative Humidity: 0~100%

HULK Professional Series Folding Solar Panels offer portability and ease of use for outdoor activities such as camping, RVing, and other off-grid applications. They are lightweight, compact, and easy to transport and store.

160 WATT FOLDING MONOCRYSTALLINE SOLAR PANEL HU6705

Includes 160W Folding Solar Panel

160 WATT FOLDING MONOCRYSTALLINE SOLAR PANEL KIT HU6703

Kit Includes:

- 160W Folding Solar Panel
- 20A Solar PWM Controller
- 5m cable with Anderson or MC4 connector
- 30cm cable of alligator clip with Anderson connector
- Carry Bag

PORTABLE FOLDING SOLAR BLANKET

The HULK Professional Series 20 Watt Portable Folding Solar Blanket is a compact and lightweight solar panel option. This solar blanket offers a power output of 20W and USB outputs of 5V/2A*2, making it suitable for charging small devices.

High-quality and durable solar power generation for on-the-go activities such as camping, hiking, and other outdoor adventures.

Folds flat for easy storage

20 WATT PORTABLE FOLDING SOLAR BLANKET HU6706

Encapsulation: ETFE/EVA/Cell/EVA/Fiberglass
Solar Panel Power: 20W
USB Output: 5V/2A*2
Cell Efficiency: 22.00%
Unfolded Dimension: 560mm x 355mm x 15mm
Folded Dimension: 200mm x 355mm x 32mm
Weight: 0.44kg
