BLAZE ORANGE HANDHELD RADIO

GME is proud to introduce our newest handheld radio, the TX6160XO. This limited edition blaze orange handheld radio is the perfect addition to anyone hunting, hiking, rock climbing, camping or at the jobsite.

Featuring class-leading 5 watt transmission power, an IP67 ingress-protection rating for outstanding performance and years of reliable use in the harshest Australian environments, up to 30 hours battery life, VOX hands-free mode, and a built-in LED torch. These radios are serious equipment for users who demand the ultimate in handheld UHF CB communication, for both work and play.

The vibrant blaze orange colour ensures that your radio will stand out in any environment, making not only the radio but the user, highly visible even in dense bushland.
