## Jaylec Automotive Fasteners

CoolDrive is pleased to announce the introduction of the Jaylec Automotive Fasteners.

Jaylec Automotive Fasteners are manufactured from the highest quality materials and reach the requirements needed in the professional automotive workshop.

These fasteners consist of a range of body clips, push nuts, trim screws, retainers and plastic anchors. They are suited for a variety of models including GMH, Ford, Japanese & Korean vehicles.

Plastic fasteners are widely used and can be found on the inside and outside of a vehicle. Ranging from inner wheel guards, to door trims, to roof liners, boot trims, dashboards and also the engine bay.

There are 54 different types of trim fasteners available and are packaged in either 10, 100 or 1,000 packs for convenient re-ordering to suit your requirements.

Also available is the Jaylec Automotive Fasteners Assortment Kit which includes 780 pieces of the most popular fasteners used in the automotive industry. It comes in a durable, quick and easy to access carry case and houses 26 different types of the fasteners.

So whether you are changing a headlight globe, radiator or electric window regulator the Jaylec Automotive Fasteners range has you covered.

### Jaylec Automotive Fasteners Assortment Kit

- 780 pieces of the most popular fasteners.
- Durable, quick and easy to access carry case.
- Houses 26 different types of fasteners.
- Consists of a range of body clips, push nuts, trim screws, retainers and plastic anchors.
