

# Combination Switches

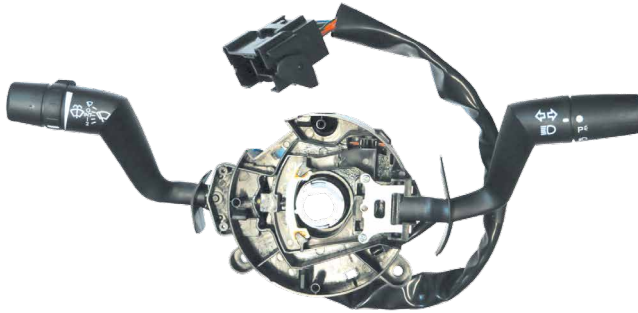

## New Product Bulletin 34 2014

CoolDrive are pleased to announce the introduction of the replacement Ford Falcon & Territory combination switches.

The combination switches are a complete headlight, indicator and wiper switch assembly to suit Ford BA-BF & FG Falcon and also Ford SX-SY Territory.

This range is available with both Auto and Non-Auto Headlight function and are compatible with Sedans, Utes and Wagons.

These switches directly replace the O.E switches ensuring quick and easy fitment.
