

# HULK 4X4 hydro bag

## ADVENTURE AWAITS

40L | 60L | 90L CAPACITIES

Set off with confidence using the new HULK 4X4 Hydro Bag Range, built from waterproof and durable 500D PVC material.

### DEFENSE AGAINST ELEMENTS

Equipped with heavy-duty IPX7 air-tight zippers, each bag in the Hydro range guarantees superior protection from water, dust, and the elements. The positive pressure inside the bag means your gear will stay secure and dry, enabling you to explore without limits.

## 4 VIBRANT COLOURS, GREEN, BLUE, GREY & RED

SIZE	COLOUR	PART #
40L	Blue	HU9960
	Green	HU9950
	Grey	HU9980
	Red	HU9970
60L	Blue	HU9961
	Green	HU9951
	Grey	HU9981
	Red	HU9971
90L	Blue	HU9962
	Green	HU9952
	Grey	HU9982
	Red	HU9972

### PRACTICAL DESIGN

Adventure smarter with:

- Accessible side pockets
- Heavy-duty "D" Buckles for reliable lashing on all sides
- A pressure valve for altitude adjustments
- High-frequency voltage-sealed waterproof joints for complete protection.

### TRAVEL WITH EASE

The 40L and 60L bags come with detachable, padded straps for backpack-style carrying, and multiple handles for simple handling.

### A BAG FOR ALL ADVENTURES

Including:

- Camping & Fishing
- Bike Riding & Boating
- Sports & Hiking
- Kayaking & Winter Sports
- Touring & 4x4 Driving

### VACUUM BAG FUNCTION

Transform the Hydro Bag into a vacuum bag in four simple steps:

1. Place your items in the bag
2. Zip up the bag
3. Open the valve and compress the bag
4. Close the valve for an airtight, space-saving solution
