

# Introducing a range of workshop cleaning tools, including brooms, mops, buckets, and world's most loved vacuum cleaners from Numatic in the UK.

The star studded line-up includes James, Henry and George all no-nonsense vacuum cleaners with a cheeky grin that are perfect for workshop owners.

## Numatic

### James

The Numatic James JVP180 is the frugal member of the family. Providing both professional cleaning results and great value. Replacing the mains cable could not be easier due to the plugged cable system.

Cable storage is taken care of with on board cable storage. It also features a 10M power cable and an 8L drum. When finished the Numatic James JVP180 packs away nicely due to the on board wand and floor tool storage.

### George

George is the all-in-one vacuum for any situation.

Dry vacuum, wet vacuum and carpet extraction all-in-one machine.

### Henry

Numatic high efficiency (A rated) long life motor giving exceptional power. The 10-metre cable storage and rewind system is a work of art, trouble free and spring free, and it keeps everything neat and tidy.

The generous Tritex filter system makes sure that what goes in stays in, and giant high efficiency HepaFlo dust bags are really clean and easy for emptying.
