

Aerpro
In-Car Tech Solutions

Part Number

AOBDLK

**OBD2
PORT LOCK**

ANTI-THEFT PROTECTION

The **Aerpro AOBDLK OBD2 Port Lock** is a tough aluminium security device that protects your vehicle's OBD2 port from unauthorized access and potential theft. Its discreet black design with a blanking sticker conceals screw heads, allowing it to blend seamlessly into your vehicle's interior. Easy to install with included vehicle-specific hardware, it acts as both a physical barrier and visual deterrent for added peace of mind.
