SBR0001 START BATTERY RECOVERY CABLE

INTRODUCING REDARC'S GOBLOCK, A COMPLETE DUAL BATTERY SYSTEM IN A COMPACT ALL IN ONE PACKAGE!

GoBlock gives you all the convenience of a Battery Box combined with all the features of a lithium-based dual battery system. The GoBlock features REDARC DC charging technology, which means a fast charge rate (50A), Green Power Priority and the latest MPPT and Smart Alternator logic.

Designed for your offroad adventure, the GoBlock power's all your necessities via the myriad connections, all of which are recessed to protect from knocks and the weather.

REDARC has also tested the GoBlock to ensure it survives all the punishment you can throw at it, it's even strong enough to be used as a seat!
