

ManTooth® Wireless Pressure/Temperature Gauge Automotive Kit

OEM APPROVED

Quickly perform an automotive A/C system check from anywhere – without the need for an entire A/C machine.

Part Number: TO6707 - Non-Tethered
TO6706 - Tethered
(Available on request)

The YELLOW JACKET® ManTooth® OEM Approved Wireless Digital Pressure/Temperature Gauge Automotive Kit uses Bluetooth® technology and an app to provide service centers and technicians the ability to perform an accurate vehicle A/C system check in less than three minutes (average). The Automotive ManTooth® Kit utilizes a free downloadable app to calculate and display the system's actual readings in an easy-to-read format on your iPhone, iPad or Android device.

Adding this to your current courtesy inspection or multi-point inspection process on every vehicle that rolls up to your shop is efficient and easy. It provides an exact A/C system health status for your customer and maximizes the opportunity to up-sell additional A/C service.

Given the current average age of all vehicles on the road is 11.5 years, it is safe to assume that many of the vehicles you are servicing are probably in need of an A/C recharge. Just imagine the additional profits you can drive to your bottom line – not to mention increased customer CSI – through this easy and proactive process!

Product Features:

- Two wireless Bluetooth® gauges
- High impact glass reinforced housing
- Integrated rubber case for easy handling
- Rechargeable LiPo battery rated for 10+ hours of continuous use
- Both R-134a and R-1234YF 5" couplers to minimize refrigerant loss
- Two temperature clamps
- AC charging adapter and USB cord
- Rugged case to protect the equipment when not in use

The YELLOW JACKET® Automotive ManTooth® Kit 67006 (OEM APPROVED) includes both R-134a and R-1234YF hoses and couplers for high and low side readings. Two wired temperature clamps, a charging adapter, a USB cord and a rugged case to protect the equipment when not in use are also included.

App Features:

- Works with iPhone, iPad or Android devices
- ManTooth® app available in Apple app and Google Play stores (over 10,000 downloads to date)
- Available languages: English, Spanish, French, Dutch and German
- Ability to log and e-mail results
