

360 DEGREE ARTICULATING BORESCOPE

The Aerpro G9300HD 360 Degree Articulating Borescope is the ultimate inspection tool for various industries and applications. This versatile device is a must-have for automotive, aviation, manufacturing, plumbing and construction professionals, enabling seamless inspection of engines, pipelines, machinery, HVAC systems and more. With its extraordinary 360 degree articulating feature, the G9300HD offers unparalleled flexibility, allowing the borescope probe to bend and manoeuvre. Navigate through tight spaces, around corners and within complex structures with ease, gaining better access to inspection areas without disassembly hassles.

Equipped with a high-definition 1080P resolution camera, the Aerpro G9300HD ensures exceptional image quality, providing crystal-clear and detailed visuals of the inspection area. This level of clarity is particularly advantageous when inspecting intricate or hard-to-reach spots, making previously challenging tasks a breeze.

Part Number G9300HD

FEATURES

- 4.3 Inch IPS colour display
- 1920 X 1080P Photo/Video resolution
- Video recording & photo modes (Micro SD required, not included)
- 6.2mm Camera lens diameter
- 1 Metre snake tube length
- IP67 Waterproof tube & camera head
- 2 Mega pixel photo images
- 20-100mm Depth of field
- 90 Degree wide angle
- 1/9" CMOS sensor
- Dimmable LED light
- 360 Degree rotating head
- 4400mAh Rechargeable battery
- Multi-language

SPECIFICATIONS

- Display: 4.3 Inch IPS Colour Display
- Photo/Video Resolution: 1920 X 1080P
- Camera Lens Diameter: 6.2mm
- Snake Tube Length: 1m
- Snake Tube Material: Flexible Metal Tube
- Photo Pixels: 2 Mega pixel
- Depth of Field: 20-100mm
- Lens Angle: 90 Degree Wide Angle
- Image Sensor: 1/9" CMOS
- LED Light: Dimmable
- Head Rotation: 360 Degree
- Battery: 4400mAh Rechargeable Polymer Lithium Battery
- Language: Multi-language
- Recording Modes: Video
- Waterproof Rating: IP67 Tube & camera head (body is not waterproof)
- Inclusions:
 - 1x Professional Carry Case
 - 1x Inspection Camera
 - 1x Cleaning Pad
 - 1x Type C Charging Cable
