

7" Multimedia Receiver with Wireless Apple Carplay & Android Auto

PART NUMBER: AM7X

The Aerpro AM7X is a cutting-edge 7" Multimedia Receiver designed to elevate your in-car entertainment experience. This sleek unit boasts a vibrant 7" capacitive touch display, ensuring a user-friendly interface for seamless control. Compatible with both Apple CarPlay and Android Auto, this receiver offers wireless and wired connectivity, providing versatility for your preferred device.

The receiver comes with dual camera inputs with individual triggers are 720P AHD compatible, allowing for high definition cameras to be installed on the vehicle to provide crystal clear vision. Connect a reverse camera and an extra rear, side, towing or front camera for convenient parking and enhanced safety (cameras are sold separately).

Designed with convenience in mind, the shallow 2-DIN chassis mounting design and steering wheel control readiness make installation and operation a breeze. Elevate your driving experience with the Aerpro AM7X – where innovation meets entertainment.
