PART NUMBER

APDB1

HANDHELD DUST BLOWER

Brushed Metal

For all Information

The Aerpro APDB1 Metal Super Power Dust Blower is a compact, high-performance cleaning tool with a sleek metal body, adjustable airflow up to 130,000 RPM, and an LED screen for real-time status updates. Powered by dual lithium batteries and USB-C charging, it offers an eco-friendly alternative to compressed air cans for precision cleaning of electronics, car interiors, and more.
