- ✓ Safe for ceramic coatings, PPF, vinyl wraps, rust-proofing
- ✓ Weatherproof – mount inside or out

Designed for Residential Use

R30 Wall-Mounted Pressure Washer BL-R30

30m Auto-Retractable
Lightweight Hose

2600 PSI Max Pressure
2300 PSI Working Pressure

Built as the next evolution of the R18, the **BLAHST R30 Wall-Mounted Retractable Pressure Washer** delivers more grunt, more reach, and the same hassle-free setup that made the R18 a game changer. Forget messy hoses, tangled leads, and complicated assembly– the R30 makes cleaning simple. Just power it up, pull out the 30m hose, and get stuck in.

- ✓ 180° Rotating Wall-Mount Design
- ✓ Reliable German-Made motor
- ✓ Weatherproof – mount inside or out
- ✓ Total Stop System (Auto on/off)
- ✓ Compact UV Protected Case
- ✓ Swivel Pro Gun Kit
- ✓ 6 quick connect nozzles

Designed for Residential Use

K21 Wall-Mounted Vacuum BL-K21

8m Commercial Grade
Hose Length

Spacing-Saving Design
Wall-Mounted

Transform your cleaning routine with the **BLAHST K21 Wall-Mounted Vacuum Cleaner**. Engineered for those who demand more from their cleaning tools, the K21 offers unparalleled performance, convenience, and reliability. Order yours today and experience the BLAHST difference!

- ✓ Bagless with wet/dry versatility
- ✓ Powerful 2100W motor for strong suction
- ✓ 30L dustbin, HEPA filter
- ✓ Built-in dust removal function

Designed for Commercial & Residential Use

K21 Wall Mounted Vacuum Hose Reel BL-K21REEL

 **10m Commercial Grade**
Hose Length

 **Spacing-Saving Design**
Wall-Mounted

This kit adds a user-friendly **10m retractable vacuum hose reel**, giving you greater reach and flexibility around your garage. Your original 8m K21 hose is removed and no longer used. Instead, the kit includes a 1.2m inlet hose, which connects your vacuum unit directly to the hose reel. This allows the reel to be mounted wherever it best suits your setup– high, low, left, or right– for a clean, streamlined wall-mounted system.

- ✓ Pull, clean, retract– ready when you are
- ✓ 10m wall mounted hose reel – massive reach
- ✓ Customisable install to suit any garage layout
- ✓ Designed for the K21 Wall-Mounted Vacuum

Air Maxx Dryer/Blower with Wall Mount BL-AIRMAXX

 **8m Commercial Grade**
Hose Length

 **Spacing-Saving Design**

- ✓ Wash large areas quickly in one sweep
- ✓ 2 distinct colours so you can keep one for your interior and one for your exterior

Foam Wash Concentrate 1L BL-FOAMWASH

BLAHST Foam Wash is a pH-neutral, highly concentrated, Australian-designed wash, that leaves a stunning shine. Our foam wash produces a thick wet foam that provides the lubrication necessary for a thorough and safe car wash.

- ✓ pH-neutral formula. Safe for use on wax and sealant coatings
- ✓ Release and gently guide away dirt and grime
- ✓ Turn your car wash into a foam party
- ✓ Maintain your new car shine

Off-Road 4x4 Foam Wash Concentrate 1L

BL-FOAM4WD

Blasted your rig through the sand, mud or salt flats? **BLAHST Off-Road Foam Wash Concentrate** is your go-to for breaking down stubborn salt, road grime and off-road fallout—fast. The pH-neutral formula is tough on residue but safe on coatings, wraps, paint, plastics, and polished surfaces.

- ✓ Breaks down Salt, Grime, Off-road Fallout
- ✓ Safe on Ceramics, Coatings, all Surfaces
- ✓ pH Neutral and Phosphate-Free
- ✓ Foam Cannon Ready

Marine Salt Wash Concentrate 1L BL-FOAMMAR

Transform your marine care routine with **BLAHST Marine Salt Removal Wash**, an advanced pH-neutral concentrate, eco-friendly cleaning formula designed to remove all salt deposits while providing long-lasting protection. This powerful cleaner is safe for all surfaces and polishes, ensuring your marine equipment gleams like new.

- ✓ pH-neutral and phosphate-free
- ✓ Release and gently guide away dirt and grime
- ✓ Removes salt deposits in just 60 seconds
- ✓ Gentle yet effective on metal, plastic, glass, and polished finishes

Ceramic Hydrophobic Coating Spray BL-CERSPR

This spray is your go-to for fast, effective paint protection. Designed to boost shine, enhance water beading, and add a smooth, slick feel to your vehicle's surfaces— all without the hassle of full ceramic coating application.

- ✓ Adds instant gloss and slickness
- ✓ Helps repel dirt, grime, and contaminants
- ✓ Strong hydrophobic properties— water beads and slides right off
- ✓ Fast and easy spray-on, wipe-off application
- ✓ Reinforces existing waxes and ceramic coatings
- ✓ Safe for multiple surfaces
- ✓ Easy spray on application

Wheel Cleaner

BL-WHEELSPR

BLAHST Wheel Cleaner is a pH-neutral, powerful wheel cleaner designed to dissolve tough brake dust and iron fallout on contact. Just spray it on, and as it activates, watch the iron particles dissolve into a purple hue, signaling they're ready to rinse away.

- ✓ pH Neutral Formula
- ✓ Iron and Fallout Decontaminant
- ✓ Easy, Visual Clean
- ✓ Effective for both wheels and paint decontamination.
- ✓ Easy Rinse and Low Odor

Bug Off Spray

BL-BUGSPR

BLAHST Bug Off is an essential tool for tackling bug splatter, especially for those long country drives. Works effectively on various exterior surfaces, including glass, plastic, and rubber, minimising concerns about overspray.

- ✓ Designed to be safe on all paint types
- ✓ Use as a spot cleaner before washing your vehicle with BLAHST Foam Wash
- ✓ Safely removes stubborn bugs, tree sap, bird poo from paintwork and headlights
- ✓ Reduces the creation of swirl marks caused by hard scrubbing

Interior All Purpose Cleaner

BL-INTSPR

BLAHST Interior All Purpose Cleaner is a comprehensive cleaning and protection solution for almost any interior surface, the versatile tool you've been looking for. Its pH-neutral formula dissolves and removes dirt, odours, and stains from automotive carpets, fabrics, and upholstery. BLAHST Interior will quickly become your go-to interior cleaner, and you'll be eager to find new areas to use it on!

- ✓ pH-neutral formula. Safe for use on all surfaces.
- ✓ Quickly removes built-up dirt and grime
- ✓ Release and gently guide away dirt and grime

Tyre Black Shine Gel

BL-TYREGEL

BLAHST Tyre Black Shine Gel uses the latest tyre black formula to create a high-density protective film that keeps tyres looking wet and shiny for longer. The formula includes an oil resistant and antifouling agent that delivers a cleaner and shinier look to the car tyre.
