In-Car Tech Solutions

PART NUMBER

APDBV1

2-IN-1 HANDHELD DUST BLOWER & VACUUM

POWERFUL 130,000 RPM MOTOR

The Aerpro APDBV1 is a high-performance 2-in-1 handheld dust blower and vacuum designed for professionals and serious enthusiasts who demand power, control, and versatility. More than just a blower, the APDBV1 combines high-velocity airflow and strong vacuum suction in one compact, rechargeable, portable tool - making it the ideal solution for precision cleaning at home, in the vehicle, or in the workshop.
