

# PRODUCT RANGE UPDATE

THE POWER OF  
**REDARC**

## NEW PRODUCT RELEASE

Introducing the REDARC Black Fixed Solar Panel Range.

Delivering the same trusted performance as our existing fixed solar panels, this new range introduces a sleek black frame for a modern, streamlined look. A highly requested change, these panels blend seamlessly with contemporary vehicle and canopy setups while maintaining the durability and efficiency you expect from REDARC.

Matching the dimensions of the current silver framed panels, they're available in 60W, 80W, 120W, 180W, and 200W options.

The current range of silver framed panels will remain available while stocks last.
