

VARTA
BY CLARIOS

THE POWER OF VARTA.

Engineered in Germany, VARTA batteries are designed to deliver optimal power and longevity for every kind of car. Whether you need batteries for standard vehicles, highly equipped cars with Start-Stop systems or any kind of electric vehicle – VARTA offers the right technology for every energy demand. By choosing VARTA batteries, you can be assured of reliable precision technology that delivers best-in-class manufacturing quality.

DYNAMIC EFB

Engineered with precision and expertise in Germany.

2x cycle life compared with a conventional battery.

Trusted power for vehicles with entry level Start-Stop systems.

Meets all OE criteria from the vehicle manufacturer.

DYNAMIC AGM

High quality, best-in-class manufacturing.

3x cycle life compared with a conventional battery.

Best performance for high-energy Start-Stop and multiple types of electric vehicles.

Meets all OE criteria from the vehicle manufacturer.

DYNAMIC SLI

Engineered with precision and expertise in Germany.

Trusted power for vehicles with standard equipment and no Start-Stop system.

Maintenance-free battery designed to deliver dependable performance for your vehicle.

Meets all OE criteria from the vehicle manufacturer.

The VARTA Dynamic AGM delivers ultimate performance, boasting three times the cycle life of conventional batteries. It's the best performance for vehicles with highest energy demands, including those with Start-Stop functionality or the latest electric vehicles.

VARTA Dynamic AGM

Short Code	Capacity 20h(Ah)	CCA	Part Number
34B20R	35	340A	S34B20R
A8	60	680A	560 901 068
A7	70	760A	570 901 076
A6	80	800A	580 901 080
A5	95	850A	595 901 085
A4	105	950A	605 901 095

The Dynamic EFB is built for modern efficiency in vehicles equipped with entry-level start-stop systems and moderate electrical demand. Enhanced Flooded Battery (EFB) technology delivers robust performance, improved charge acceptance, and up to twice the cycle life of standard flooded batteries—ideal for urban driving and longer commutes alike.

VARTA Dynamic EFB

Short Code	Capacity 20h(Ah)	CCA	Part Number
N70	70	650A	570 500 065
Q85115D23L	70	660A	Q85115D23L
T110/145D31L	90	820A	T110145D31L
T110R/145D31R	90	820A	T110R145D31R

A maintenance-free battery designed to deliver dependable performance. Built with proven technology, it offers long-lasting power and exceptional value, making it the ideal choice for conventional vehicles. VARTA batteries meet all the standards of OE manufacturers. Engineered in Germany, VARTA batteries deliver precision performance and lasting reliability.

VARTA Dynamic SLI
