

HEAVY DUTY CLAMPS

Designed specifically for exhaust system applications, these high-grade SS304 stainless steel clamps are built to handle extreme heat, vibration, and corrosion. Each clamp is individually packed and rigorously tested to ensure superior sealing performance and long-term durability.

Easy Seal Clamps with High Tensile Fasteners

Size	Part Number
2"	AESC200SS
2.25"	AESC225SS
2.5"	AESC250SS
2.75"	AESC275SS
3"	AESC300SS
3.5"	AESC350SS
4"	AESC400SS
5"	AESC500SS
6"	AESC600SS

Lap Clamps with High Tensile Fasteners

Size	Part Number
2"	ALC200SS
2.25"	ALC225SS
2.5"	ALC250SS
2.75"	ALC275SS
3"	ALC300SS
3.5"	ALC350SS
4"	ALC400SS
5"	ALC500SS
6"	ALC600SS
