

SPARE WHEEL BAG

HEAVY-DUTY STORAGE FOR 4WD ADVENTURERS

The HULK 4X4 Spare Wheel Bag is engineered for off-road enthusiasts who demand reliable, high-capacity storage on every adventure. Mounting neatly to your spare wheel, it keeps your recovery gear organised and your campsite clean.

KEY FEATURES

- Heavy-duty 16A canvas composite PVC construction for extreme durability
- Rated to carry up to 50 kg of gear, tools, and equipment
- UV stabilised at Level 4 – resists cracking, fading, & UV degradation
- Ideal for storing recovery gear: snatch straps, shackles, traction boards & more
- Perfect for garbage containment – keep your 4WD clean on & off the trail
- Available in two sizes to suit a wide range of tyre diameters
- Mounts directly to your spare wheel for convenient, accessible storage

APPLICATIONS

- 4WD & off-road vehicle storage
- Orlanding & extended trail trips
- Tow vehicle & caravan setups
- Farm & rural utility vehicles
- Camping & remote area travel
